## A trailer for you! Explore the benefits...

### THE PRICE IS LITE

Pricing on Featherlite's new generation of horse trailers is attractive for all budgets, yet each trailer still delivers the quality, easy-tow and durability you expect with a Featherlite.

### BLEND OF QUALITY AND DURABILITY

Featherlite horse trailers offer durable uni-body all-aluminum construction with superior resistance to rust & corrosion and minimal maintenance. And all 2010 and 2011 models come with a great transferable\* 8-year limited structural warranty!

### STYLE STANDARD

You get stylish chrome glass windows standard with Model 8533. This new upbeat reflective look is different from all other brands and previous model year

Featherlites. Plus, your trailer is available in an array of exterior colors, including dual and tri-colored options, or with graphics.

### SAFETY FIRST

Model 8533 is designed to give your horses a smooth, steady ride plus includes features like deep cushion rubber floor mats that safeguard your horses during travel. Plus part of keeping your horses safe is providing them extra comforts like additional air flow and light in the horse area with Featherlite's "Light Flo" drop-down feed doors and large 36" windows behind the horses.

### FUEL EFFICIENT

With Featherlite horse trailers, you get a lighter, smoother and more fuel efficient tow like so many other fellow horse owners report.
